PROJECT SHARE — Add a "PS" to help a neighbor

Many of our less fortunate neighbors are worried about keeping their families warm during the winter season. You can do something to help through **PROJECT SHARE**. Project Share is a plan that helps needy households pay a portion of their energy bills. Add a regular "PS" contribution to your monthly utility payments or make a direct donation. Your contribution is voluntary, flexible, and tax-deductible. To participate, simply call 515-838-2311 or stop in at City Hall in Stratford.

Heating Assistance for Families: The Low-Income Home Energy Assistance Program (LIHEAP) is designed to assist low-income families with the cost of home heating. Applications are accepted on a first-come / first-serve basis as posted at your local community action office. The Community Action Agency for Stratford is Upper Des Moines Opportunity. A household may qualify for assistance in this program if its' income falls within a prescribed income range. When you apply, bring proof of income for the last 3 months, including verification of any fixed income such as Social Security benefits and Aid to Families with Dependent Children; a copy of your federal income tax return; and copies of your heating and electric bills. For more information, contact your local community action office located in Webster City, IA, 50595; 515-832-6451 or write to LIHEAP Community Action Department of Human Rights, IA Dept. of Human Rights, Capitol Complex, Des Moines, IA 50319.

NOTICE TO ELECTRIC UTILITY CUSTOMER

The Iowa Utilities Board (IUB) is a utility regulatory agency. If you have questions or complaints regarding your utility service, you may contact a utility representative at City of Stratford, 805 Shakespeare Ave., Stratford, IA 50249, 515-838-2311, or email cityofstratford@globalccs.net. If your complaint is related to service disconnection, safety, or renewable energy, and we do not resolve it, you may request assistance from the Iowa Utilities Board: call 877-565-4450 (toll free); or write to 1375 East Court Avenue, Room 69, Des Moines, IA 50319-0069; or email customer@iub.iowa.gov. Low-income customers may also be eligible for free legal assistance from Iowa Legal Aid, and may contact Legal Aid at 1-800-532-1275.

FAQ's on Fluoride in the Stratford Municipal Water Supply

Is Stratford's Water Safe to Drink? Yes! The notices sent quarterly with the newsletters (and shown below) contain the required wording written by the Iowa Department of Public Health. Community water systems that exceed the fluoride level of 2.0 mg/L (the EPA minimum level) must provide special fluoride public notice to persons served. A recent sample taken from Stratford's water supply contained a fluoride level of 2.47 mg/L.

Does Stratford Add Fluoride to the Drinking Water? No. The fluoride in Stratford's water is naturally occurring. This water supply obtains its water from the limestone and dolomite of the Mississippian Aquifer. The aquifer was determined to have low susceptibility to contamination because the characteristics of the aquifer and overlying materials provide natural protection from contaminants at the land surface.

What is an Unsafe Fluoride Level? The maximum level set by the Environmental Protection Agency (EPA) is 4.0 mg/L. Drinking water containing more than 4.0 mg/L can increase the risk of certain health issues. Stratford's drinking water does not contain unsafe fluoride levels, but Stratford is required to notify persons served when a sample exceeds the 2.0 mg/L minimum.

~~~~~ IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER ~~~~~

This notice being sent by the Stratford Muni Water Dept. PWSID# 4051002. Elevated Fluoride Levels Detected

Fluoride in children's drinking water at levels of approximately 1 mg/L reduces the number of dental cavities. However, some children exposed to levels of fluoride greater than about 2.0 mg/L may develop dental fluorosis. Dental fluorosis, in its moderate and severe forms, is a brown staining or pitting of the permanent teeth, or both.

Because dental fluorosis occurs only when developing teeth (before they erupt from the gums) are exposed to elevated fluoride levels, households without children are not expected to be affected by this level of fluoride.

Families with children under the age of nine are encouraged to seek other sources of drinking water for their children to avoid the possibility of staining and pitting.

Your water supplier can lower the concentration of fluoride in your water so you will still receive the benefits of cavity prevention while the possibility of stained and pitted teeth is minimized. Removal of fluoride may increase your water costs. Treatment systems are also commercially available for home use. Information on such systems is available at the address given by your public water supplier. Low fluoride bottled drinking water that would meet all standards is also commercially available.

For more information, please contact Stratford City Hall Water Department at 515-838-2311. Some home water treatment units are also available to remove fluoride from drinking water. In Iowa, home water treatment units are regulated under 641—Chapter 14, with the water treatment unit registration program administered by the Iowa Department of Public Health's environmental health division. In addition, you may call the National Sanitation Foundation (NSF) International, at 1-877-867-3435. *Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses).*

## TIDBITS OF INFORMATION

- **Remember to recycle!** There are items that must not be put into a recycling bin. Your recycling will not be picked up if a “no” is in your recycling bin. City Hall has a list of items that can and cannot be recycled. This list can also be found on the stratfordiowa.com website under the City Government tab – utilities & forms.
- **Electrical Outage Procedures** If experiencing an electrical power outage during City Hall's business hours of 8:00 – 4:30 p.m., call 515-838-2311. When experiencing an electrical power outage after hours at your place of residence, call Maintenance Supervisor Brad Larson at 641-373-7676. If the whole town is experiencing an electrical power outage and Maintenance Staff doesn't answer, call Hamilton County Dispatch at 515-832-9500; or Midland Power Cooperative's emergency number, 1-800-286-2268. If all else fails, call 911.
- **Call Iowa One Call** a few days before digging: 800-292-8989 or 811. It's free and it's a State of Iowa law.
